The Hernandez Family

Dear praying friends and family,
"Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ. I thank my God upon every remembrance of you, always in every prayer of mine for you all making request with joy,"--Philippians

We were blessed to welcome the new year with our churches in prayer, worship, and testifying of how good God is and has been. The Lord has blessed us in so many ways, and we are so thankful for all of you who make being here in Guatemala possible. We are thankful for every financial and prayer supporter, and for every donation and gift given toward the ministry and our family.

This month we started our regular ministries back up with the kids club and Bible Institute, and will start back in the public schools very soon. We've been praying about getting back in the schools, and a principal in Xenacoj actually called me saying someone gave him my number, and asked if I would be interested in coming once a month to pray with the kids and present the gospel to over 200 children. What an answer to prayer, and we look forward to what the Lord has in store to this opened door!

Another blessing was getting to celebrate our 8th Anniversary in Santo Domingo, Xenacoj. We are so thankful for all that the Lord has done and continues to do in this town. We had our sister church in

Santiago join us, and had 4 people accept Christ as their Savior and 6 souls rededicated their lives to The Lord!. Praise the Lord!

Some current prayer requests we have is finances toward the building project. We are in the process of making blocks to start the build of our security wall. Then we will begin the build of phase 1 as the finances come in to do so. Praise The Lord we have currently raised 10% of our total goal! We also ask for your prayers toward this ministry of getting back in the public schools, and for many children to accept Christ as their Savior. We've also been asked to come once a month to a village 3 hours away to share the gospel with 100 children! Our landlord and his family have started the work but called me as they are not preachers and have asked me to share the gospel once a month. They are doing a great work, and already have 3 families they are reaching in a Sunday school type fashion. We are so thankful for the Lord continuing to open doors for our family here in Guatemala.

May the Lord bless each one of you who have a big part in making this ministry possible.

Church Planting in Guatemala

(2 Timothy 2:2) And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.
