

The Hernandez Family

September 2024

Dear prayer warriors,

"Continue in prayer, and watch in the same with thanksgiving; withal praying also for us, that God would open unto us a door of utterance..."
Colossians 4:2-3 KJV

This month started off with our church in Xenacoj hosting a medical campaign all on their own! One of our young adults is in nursing school, and reached out to a group of Guatemalan Doctors and nurses from the city who do free medical campaigns in villages. They had a large group of nurses come out, and over 100 they attended to while our members presented the gospel to those who would listen. We are so proud of our faithful members, and their hearts to serve the Lord and spread the gospel!

Both churches also continued with our kids Bible club that we are now doing on Monday, Wednesday, Friday, and Saturdays. That's four times a week these children are hearing the gospel, being fed physically, getting help with homework, and learning a trade of some sort. Not only is this huge opened door to reach these children, but also to reach their parents/families! We praise the Lord for 15 first time visitors the last Sunday of the month alone. We ask for your prayers as we continue with this ministry.

Another huge blessing this month was the birth of our precious daughter, Addeline Jo Louisa Hernandez "Addie Jo"! She was born on her due date, the 17th, perfectly healthy and as beautiful as can be. Maurisa did great, with no issues! We are so thankful to God for a healthy baby and delivery, and also thankful for every prayer and gift given toward our baby.

This month we happen to have a lot on our hearts that we'd ask your help in helping us pray about.

*for the Lord to meet our need in a larger vehicle once we return to Guatemala as we have now outgrown our compact pick up. The truck is used daily for ministry and a big need to keep. Unfortunately, our ministry vans stay in the shop, so we are in need of a reliable secondary family vehicle.

*for Addies residency that is going to cost \$1500.

*for sponsors to support a child in our kids club to help feed them four times a week, plus a few staff members that pour so much time into this ministry.

*for our continued financial need to start our future building project.

*for our return to Guatemala. We will leave mid November and spend thanksgiving in Mexico with family so they can also meet Addie. December 5th we will fly to Guatemala.

*for our annual Christmas ministry as we prepare to give a gift to 100 children as most will not receive a single toy Christmas morning. We are so thankful to God and the givers as He meets this need every year!

May the Lord bless you greatly for your faithful prayers and support that keeps us going. We look forward to getting back to where God has called us real soon, and get busy for Him in reaching Guatemala for Christ!

Church Planting in Guatemala

(2 Timothy 2:2) And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.
